## CIOReview Selects AST Corporation for 20 Most Promising SOA Technology Solution Providers 2015

**Naperville, IL June 18, 2015:** CIOReview ([www.cioreview.com](http://www.cioreview.com)) has chosen AST Corporation ([www.astcorporation.com](http://www.astcorporation.com)) as one of 20 Most Promising SOA Technology Solution Providers in 2015. The selection was based on AST's expertise and experience as an Oracle E-Business Suite systems integrator with the objective of helping customers realize the full potential of their investments in Oracle Applications.

The annual list of companies is selected by a panel of experts and members of CIOReview's editorial board to recognize and promote technology entrepreneurship. "AST has been on our radar for some time for stirring a revolution in the SOA Technology space, and we are happy to showcase them this year due to their continuing excellence in delivering top-notch SOA solutions," said Harvi Sachar, Publisher and Founder, CIOReview. "AST's solutions continued to break new ground within the past year, benefiting its customers around the globe, and we're excited to have them featured on our top companies list."

"AST is honored to be recognized by CIOReview's panel of experts and thought leaders," said Shyam Kumar, Vice President of Middleware, AST Corporation.
