AST LLC is a Specialized Oracle Applications and Technologies systems integrator whose mission is to help customers realize the full potential of their Oracle enterprise applications. As an Oracle Cloud Premier partner, AST is well-versed in Oracle's solution set, with expertise across both application and technology pillars.

We differentiate ourselves by demonstrating deep domain knowledge in select industries and bringing proven solutions with high value to our customers.

Our goal is to ensure that our clients receive the highest level of expertise and personalized service for their system implementations. We endeavor to help customers realize the best long-term return on investment by integrating systems seamlessly to business processes, completing the projects as promised, and by delivering an effective knowledge transfer.
